ABIDING CARE STATEMENT OF FAITH

---

**1. God, His Word & His Church**

We believe the Bible to be the only inspired, trustworthy and true, without error, Word of God.

We believe there is only one God, who eternally exists in three persons: Father, Son and Holy Spirit.

We believe Jesus Christ is God, in His virgin birth, in His sinless life, in His miracles, in His death that paid for our sin through His shed blood, in His bodily resurrection, in His ascension/rising up to the right hand of the Father and in His personal return in power and glory.

We believe that acceptance of Jesus Christ is the only path to salvation for lost/sinful men and women.

We believe in the present ministry of the Holy Spirit, who lives within and guides Christians so they are enabled to live godly lives.

We believe in eternal life, and that through belief in Jesus Christ as the Son of God, we spend eternity with the Lord in Heaven. We believe that in rejecting Jesus Christ as Lord and Savior, we receive eternal suffering in hell.

We believe in the spiritual unity of believers in our Lord Jesus Christ, that all believers are members of His body, the Church.

## **2. Human Sexuality & Marriage**

We believe that God created each person as male and female, biologically determined at conception. These two are distinct yet complementary genders that together reflect the image and nature of God.

We believe the term “marriage” has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. We believe that God intends sexual intimacy to occur only between a man and woman who are married to each other. We believe that God has commanded that no intimate sexual activity be engaged outside of a marriage between a man and a woman.

## **3. Sanctity of Human Life**

We believe that God is the author and creator of all life, and that we are created in His likeness and image. As such, we believe and affirm that all life has inherent value, worth, and dignity because it is created by God. On the basis of this inherent value, we seek to protect and care for life in all stages of God’s creation, from conception to natural death.

We believe and affirm that life begins at conception, at which time the full genetic blueprint for life is in place. Accordingly, we believe that our expression of love and service to God requires that we work to protect and honor life in all stages of creation. As well, we believe and affirm that God’s calling upon us commands that we make special efforts to protect the most vulnerable among us. As such, we view life from conception through birth to be uniquely vulnerable, and therefore work to protect and defend life in these early stages.

We believe that abortion and abortifacient medications are never necessary or appropriate medical care for women, or obviously, her unborn child. We believe that medical treatment for an ectopic pregnancy, miscarriage, molar pregnancy, etc. is not an abortion, even if it involves the same medications or procedures. All women should have access to these treatments without fear of prosecution or shame.

We also affirm the inherent dignity and humanity of all women who come to us in need, and recognize their vulnerability and often the difficult circumstances in which they have been placed. Accordingly, our love of God and service to our Lord Jesus Christ requires that we love and serve those in need, which extends not only to providing services through birth, but also a holistic approach that continues to care for and minister to the bodily and spiritual needs of mother, child, and family after birth. This help and care also includes ministering to those who are post-abortive through making available compassionate and biblical abortion recovery ministry to those who have been hurt by the choice of abortion, whether directly or indirectly.

**Conclusion:**

God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ.

Every person must be afforded compassion, love, kindness, respect, and dignity regardless of their position and beliefs that may differ. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accordance with Scripture.
